Skills

Programming Languages: Javascript, Python, Go, C, C++, Scala, Scheme, Java, SQL, R, Bash, HTML/CSS

Tools: Git, Figma, Vue, CAD, Jira, Pandas, Linux, Excel, Docker, MLFlow

Education

University of Waterloo

Waterloo, Canada

Candidate for Bachelor of Computing Financial Management

Sep 2019 - Present

Computer Science and Finance – President's Scholarship of Distinction – WiCS GHC Scholar 2020 – Dean's Honors List

Work Experience

Curvegrid

Tokyo, Japan

Blockchain/Full-stack Software Engineer Intern

Dec 2020 - Present

- Building blockchain tooling technologies and solving decentralisation complexities on the Ethereum blockchain
- Implemented smart contracts and front-end interfaces for DeFi, art and supply chain projects with **Golang**, **Solidity** and **Vue.js**

Kirin Adams

Remote

Venture Capital/Real Estate Investing Intern

Apr 2021 - Jun 2021

- Conducting deal-specific diligence, researching market trends in real estate and tech, and creating investor-facing materials

CPP Investments

Toronto, Canada

Junior Python Engineering Analyst, Quantitative Strategies and Risk Premia

Jun 2020 - Aug 2020

- Implemented statistical analytics tools for factor investing portfolios using **SQL** and **Pandas** within quantitative equity team
- Refactored data validation codebase, improving tuning accuracy and optimizing analysis for **88.9%** of incoming datasets
- Prototyped ML models and used **MLFlow** to analyze machine learning workflow from development to production
- Analyzed an emerging markets investment opportunity for M&A case competition over 7 weeks (finalist out of 10 teams)

nuTonomy

Singapore

Robotics Engineer Intern, Embedded Systems

Jun 2018 - Aug 2018

- Implemented bandwidth data analysis systems with **Python** and packaged analysis programs using **Docker**
- Programmed hardware with **C** and used **Fusion 360** to design protective cases for voltage regulators
- Designed a visual monitoring system with **OpenCV** and **Raspberry Pi** to allow remote surveillance of HIL-bench

Extracurriculars

Front Row Ventures

Waterloo, Canada

Investment Associate

Apr 2021 - Present

- Front Row Venture ran a **\$600,000** Quebec-focused pilot fund and is raising a **\$10M** fund to expand across Canada
